

Task FIFTEEN

Exit Strategy

Your time on the Island is winding down. In your itinerary and schedule (TASKS 7 and 8) you defined expectations. Have you taken care of everything?

Objective:

Prepare for your exit from the Island.

In your journal, create a list of what things you need to do and how you are going to accomplish each. Check back to your itinerary and schedule to be consistent. You need to address *at least* the following:

- any activities that you had planned that still need to be done
- what needs to be secured that you are leaving behind
- prepare any Island items (artifacts, documents, etc.) that you need to bring back.
- prepare yourself, crew and supplies to leave and arrange transport
