

## **Task SIXTEEN**

### **Final Accounting**

PreH Park Corp has asked you to present your finding and provide evidence/documentation to justify the payment of the agreed upon fee.

#### **Objective:**

Design a presentation that details your journey, discoveries, status of the island and its creatures and your recommendations for the future of the Island.

Use Flipgrid to present your findings. Include specific evidence. Try to expand beyond just an oral recording – perhaps share some journal entries or artifacts that you brought back. Remember, you are making a case that you have earned your contract payment!
